

**SolarMax Pro Energy Storage Systems**

## **Battery cabinet assembly complete set**

## Overview

---

What is a modular battery cabinet?

Modular battery cabinet for extended runtime for UPSs with internal batteries. The cabinet is supplied without batteries, so modular battery strings must be purchased separately. Up to 9 battery strings can be installed and monitored in the cabinet.

What is a VRLA battery assembly cabinet?

EverExceed VRLA battery assembly cabinets are very durable, and easy to install. Engineered for use with most type of battery terminal models, these cabinets can fit a wide variety of applications. This solution is completely customizable and flexible to support your application requirement.

What are Arimon battery cabinets?

Arimon uninterruptible power supply (UPS) backup battery cabinets are available for either front access batteries or top terminal (monobloc) batteries. All battery cabinets are constructed from heavy gauge steel with a durable welded frame and acid resistant powder coated finish available in a wide range of colors.

What is a battery cabinet / rack?

EverExceed designs customized battery cabinets / racks for individual batteries. The cabinet or racking system can be specified to accommodate any battery cell. From flooded to sealed, from lead acid to nickel cadmium and from vertical to horizontal all kinds of battery cabinet / rack can be designed flexibly to save the space in battery room.

Does unified power offer battery cabinets?

Unified Power offers a complete line of battery cabinets for both UPS and Telecom Applications. These cabinets can be configured to match OEM cabinets and offer a competitive option for system upgrades or new projects.

Features Space saving foot print is the industry's most compact design.

What is a C&C power battery enclosure?

C&C Power Battery enclosures are configured to meet the need of all types of applications. Battery cabinets are engineered for an uninterrupted power backup source to support the continuous operation of your critical facility.
