

SolarMax Pro Energy Storage Systems

Costa Rica contracted to install photovoltaic panels manufacturers

Overview

Who sells solar panels in Costa Rica?

American firms have a strong presence in Costa Rica by selling their products through local distributors or joint ventures. The main competitors of U.S. businesses in the solar area in Costa Rica are Chinese brands. Most companies selling solar systems are local companies that assemble Asian solar panels with some U.S. made components.

Who is a good solar installer in Costa Rica?

Lester provides excellent service and value for solar projects in Costa Rica. We were so happy that Neil came out and fixed our system that had just been installed by another installer. We fought for months with that installer to come out to fix their system. Finally we called Sunnyside Solar Solutions and talked to Neil.

Who can install photovoltaic systems in Puerto Rico?

Only certified installers may install photovoltaic (PV) systems in Puerto Rico. In January 2010, additional regulations were passed requiring wind turbine installers to be certified as well in order to install wind systems.
