

SolarMax Pro Energy Storage Systems

Danish flow battery wholesale

Overview

Environmental legislation on batteries and accumulators sets out producer responsibility; this means that if you produce or import batteries in view of reselling.

If you produce or have a battery product produced in your own name/brand, you are subject to producer responsibility, including duties to register, take back, and.

All types of batteries – and a few exemptions The producer responsibility system concerns all batteries. However, in relation to registration and reporting the.
