

Egypt builds energy storage project

Overview

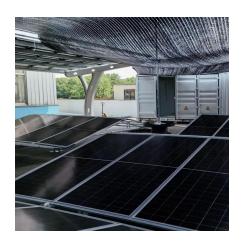

Scatec ASA has commenced construction of its 1.1 GW Obelisk solar and 100 MW/200 MWh battery storage project in Egypt. The energy will be sold under a USD-denominated 25-year Power Purchase Agreement (PPA) with the Egyptian Electricity Transmission Company (EETC), backed by a sovereign guarantee.

Egypt set for 1.1 GWh of battery storage across three projects

Earlier this year, state-owned utility Egyptian Electricity Holding Co. held an expressions-ofinterest tender for the design, construction and
