

SolarMax Pro Energy Storage Systems

European special battery cabinet merchants

Overview

What are the best lithium battery storage cabinets?

Our cabinets, featuring renowned brands like Ecosafe, Cemo, and Armorgard, offer industry-leading solutions for lithium battery storage. Built with advanced fire protection, our products include 60- and 90-minute fire-rated cabinets tested up to 105 minutes to meet EN14470-1 standards, ensuring your batteries are safe even under extreme conditions.

Why do you need a lithium battery storage cabinet?

As the demand for lithium-ion batteries grows, proper storage and fire protection are essential for operational safety and regulatory compliance. Our cabinets, featuring renowned brands like Ecosafe, Cemo, and Armorgard, offer industry-leading solutions for lithium battery storage.

Why do you need a batteryguard Battery Cabinet?

With a Batteryguard battery cabinet, you charge and store your batteries with complete peace of mind. You protect your staff, prevent damage, and meet the requirements of your insurer. And in some countries, you may even benefit from financial incentives or grants. Do you have any idea whether your business is at risk of a battery fire?
