

SolarMax Pro Energy Storage Systems

Fiji Solar Photovoltaic Panel Components Company

Overview

Where is solar Fiji located?

Lot 41-42 Pilling Road, Nasinu, Suva. Solar Fiji, supply and install the highest quality solar power systems in the South Pacific. Based in Nasinu, Suva, we specialize in Off Grid and Grid Connect Solar Power Systems and are official distributors of world leading brands such as Victron Energy, Canadian Solar, Narada Batteries and QCells.

What is a solar power system in Fiji?

Installed by the renowned Solar Fiji, this state-of-the-art off-grid solar power system transforms VAWA ISLAND, Fiji, into a beacon of sustainable luxury.

Why do businesses use solar energy in Fiji?

With on-site solar energy generation in Fiji, businesses can generate their own electricity and become less vulnerable to power outages, grid disruptions, and energy supply constraints. Many organisations in Fiji switch to solar energy as part of their commitment to sustainability and reducing their carbon footprint.

When was the first off-grid solar system installed in Fiji?

In May 2002 Clay Energy commissioned the first off-grid solar base station power system for Vodafone Fiji, which led to the rollout of these power systems to six mobile operators in the region. Clay Energy's first PV grid-connect system (18kW) was installed and commissioned in 2008, being the first in the region.

Why should you choose Ves solar energy in Fiji?

VES employs the most experienced renewable energy experts in Fiji. Our team will recommend a solution to best meet your unique situation. In an effort to modernize the solar energy infrastructure in Fiji, our team has established strong partnerships with the most advanced technology manufacturers worldwide.

Who makes the best solar inverter in Fiji?

Our dedication to using trusted brands guarantees that our customers receive the highest standard of solar products and services in Fiji. Fronius, Sungrow, and Selectronic are renowned inverter manufacturers known for their exceptional quality and performance.
