

**SolarMax Pro Energy Storage Systems**

# **German container energy storage product manufacturer**

## Overview

---

What is the new SBB battery container?

The new SBB 1.5 battery container with 5.26 MWh storage capacity will be compatible with various European inverters and will be launched with exceptional performance and guarantee features. With the new storage solution, public utilities can also reliably provide grid services and participate in energy trading. Overview of our press releases.

Who is stercom GmbH?

Charging and energy storage solutions specialist Stercom has gained another strategic investor: Zapi Group, a global leader in electrification, is acquiring a majority stake in the Tesvolt subsidiary. Stercom gmbh.

Should large-scale energy storage systems be connected to the medium- and high-voltage grid?

Distribution grid operators are receiving a large number of requests to connect large-scale energy storage systems to the medium- and high-voltage grid. This has been published by Bayernwerk Netz, Bavaria's largest distribution system operator, and Mitnetz Strom.
